

Things are really moving here.

Hear from the Experts

"Mobile is not tracking the national trend, and we are doing much better than other cities of our size in the Southeast. This campaign will help the entire region, not just the city of Mobile."

- MAYOR SAM JONES, CITY OF MOBILE

"The new home market in Mobile is steady and getting stronger each month. The prices are right, the selection is good, and the interest rates are low. You can get much more house for your money in Mobile than in surrounding counties and the time is now! Owning your own home is still the best investment you can make."

- SUSIE CLEVELAND, EXECUTIVE OFFICER HBA METRO MOBILE

"Mobile Bay is where modern development meets Gulf Coast living. It's a relaxing lifestyle steeped in history, festivals, exceptional cuisine and deeply connected to the outdoors life and Gulf of Mexico. Mobile Bay is defining the new Gulf Coast way of life."

- MOBILE BAY CONVENTION & VISITORS BUREAU

"The Mobile Area Chamber of Commerce is charged with new business development and existing industry expansions. Because of that, we have a birds-eye view of the ever-increasing interest in the Mobile area, both by companies looking to grow their business here, and from people living outside the Mobile Bay region wanting to work here. With the number of new projects currently in construction phase locally, and those in various stages of announcing here, we believe the region's population and prosperity will increase dramatically well into the near future."

- WIN HALLETT, PRESIDENT MOBILE AREA CHAMBER OF COMMERCE

"From our perspective, the growth of industry and business in the North Mobile area will continue to make it a great place to work and live."

- PAMELA BURNHAM, EXECUTIVE DIRECTOR SARALAND CHAMBER OF COMMERCE

"The Mobile market is good, and there is a positive future. If a house is priced competitively, well maintained and aggressively marketed, and under \$300,000, it ought to move."

- DR. DONALD EPLEY, DIRECTOR MITCHELL COLLEGE OF BUSINESS CENTER FOR REAL ESTATE SALES
